• *Discovering Our Lady of Bethlehem*

Posted **January 10, 2024** & created for the History of the Catholic Faith in the Americas Conference, this full-length presentation by Church scholar and historian **Dr. Marian T. Horvat** explores the adventure and role of the life-size dressed statue of Our Lady of Bethlehem that accompanied Fr. Junipero Serra's historic **Sacred and "Impossible" Expedition of 1769**. It sought to conquer for Spain the 500-mile-stretch of Alta California by establishing its first two Missions in San Diego and Monterey.

The video explains the statue's long history in Mission San Carlos Borromeo in Carmel:

- Her fate when the Missions were dissolved
- Her return to Carmel Mission in the restoration project of the 20th century.

• *Did Our Lady of Good Success Predict Vatican II? Questions & Answers*

Posted **July 12, 2024**. In this short question-and-answer video, Vatican II scholar **Mr. Atila Guimarães** answers this important question, based on his long study of the History of the Church. The video explains the historical foundations of **Progressivism, Modernism, and Catholic Liberalism**, showing how **Modernism went underground for a time, and reemerged as Progressivism**.

Mr. Guimarães shows how **Progressivism was officially consecrated at Vatican Council II (1962-1965), producing the disastrous fruits wrought upon her**. A short and eye-opening video that shows how Our Lady did indeed predict Vatican II, albeit indirectly.

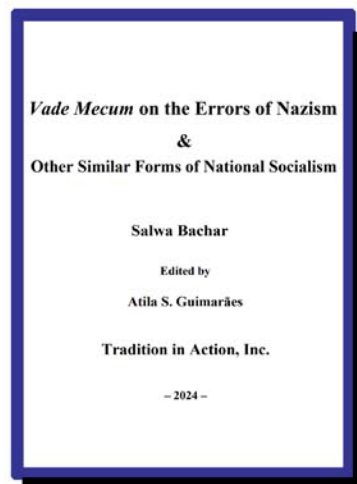

Books Published - Online & Print

• *Vade Mecum Against the Errors of Nazism - October 2024 (Online)*

Published in English

Given many misconceptions on the evil of Nazism and the firm Church condemnation of it, TIA offers its readers this well-documented study on its basic history, doctrinal foundation, occult and gnostic aspects, as well as its pagan, racist and anti-Semitic character.

This solid study refutes many myths circulating today among traditionalists who are trying to bring back Nazism as an option in the face of Israel's ongoing massacre of Palestinians.

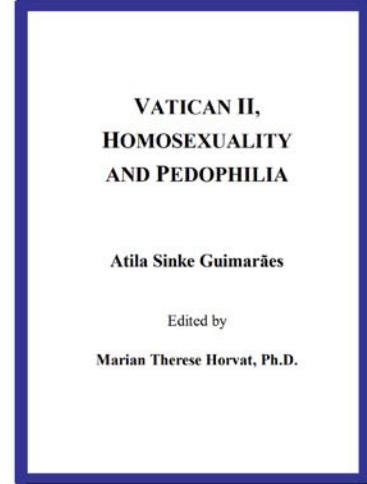

• *Vatican II, Homosexuality & Pedophilia - July 1, 2023 (Online)*

Published in English

Our 2004 edition sold out some years ago, and we decided to make it accessible online. Its report of priestly pedophilia and homosexuality scandals (covered up to the years 2002-2003) is outdated, given the scandals that continue to this day. If we were to update this work, its content would be so large that it would demand several volumes.

The information in this book, however, continues to be relevant and helpful, especially the perennial teaching of the Church and the analysis of the post-conciliar documents that introduced a new tolerant approach to the vice of homosexuality.

* *In Production (as of May 23, 2025)* *

• *In the Murky Waters of Vatican II (Print, Fourth Edition)*

Being published in English

After having recently sold out of our best-selling volume, *In the Murky Waters of Vatican II*, we are currently going to press with our fourth edition, which includes a newly designed cover. *Publication date June 2025*.

• *Nuestra Señora del Buen Suceso: Profecías Para Nuestros Tiempos (Print, First Edition)*

Being published in Spanish

We completed the Spanish translation of our other best-selling book, *Our Lady of Good Success: Prophecies for Our Times*. We have gone through several editing stages, and are awaiting the final editing. *Publication date summer 2025*.
